Rc.No.3531/B1/46 dated 12th April 1947.

Sir,

Sub: Madras Fire Services - Northern Region - Bellary Section - Private building proposed to be used as temporary fire station - sanction of rent at Rs.60/- per mensem - requested.

Ref: G.O.No.Ms.590, Public (Fire Services) dated 24-2-47.

The temporary fire station at Bellary is located in the garages rented by the Municipality and the Municipal Council now require them urgently to accommodate the Municipal Lorries.

There are 4 garages and one room belonging to a private party which are situated adjacent to the Municipal School in Fort Main Road (Survey No.118 of Ward XXI) and the temporary fire station can be shifted to these garages. The owner of the garages is willing to let them out to this Department and demands a rent of Rs.60/- p.m. for them. Some improvements are required to the garages and the owner has agreed to carry out the improvements at his own cost and attend to the minor repairs then and there. The Executive Engineer, Bellary Division, has also certified that the rent of Rs.60/- p.m. for the garages is reasonable.

As the Municipal garages now occupied by the Madras Fire Services are urgently required by the Municipal Council, I request that the Government may be pleased to sanction rent at Rs.60/- p.m. for the private garages where the temporary fire station at Bellary is proposed to be shifted.

Plans and estimates for the construction of a temporary fire station at that town at a cost not exceeding Rs.3,000/- have been called for and will be submitted to Government in due course.
